### WORK EXPERIENCE

#### AUDIOVISUAL PRODUCTION SPECIALIST Military District of Washington 02/2023 - Present (40hrs p/w)

- Manage activities across all branches of media, ensuring clear objectives and seamless collaboration. Establish and align programs for subordinate sections with organizational goals.
- Serve as advisor, researcher, and subject matter expert for video and multimedia productions, integrating cutting-edge audiovisual technologies to enhance efficiency and optimize team performance.
- Foster a culture of continuous improvement by creating training plans, scheduling training, and ensuring successful completion of training programs to maintain a highly skilled workforce.
- Oversee daily operations of a high-tech production facility and extensive equipment inventory, maintaining top production standards.

**Civilian Service Commendation Medal – March 2024:** Recognized for exceptional service and outstanding performance in audiovisual production and management.

**Performance Award – June 2024:** Awarded for demonstrating accountability, creativity and innovation, developing others, research and development analysis, and technical credibility in the execution of duties.

#### OWNER CaLaBeau Productions 01/2018 - 05/2024 (40hrs+ p/w)

- Filmed and photographed events, portraits, brand identity content, short films, documentaries, corporate videos, commercials, and training videos and provided comprehensive production packages, including lighting, cameras, audio equipment, and sets, tailored to client needs.
- Edited videos and photographs, specializing in video editing, color correction, color grading, sound design, SFX, and graphics, and delivered final products in various formats specific to clients' requirements.
- Created graphic designs for infographics, charts, posters, and other visual media, enhancing the overall impact and clarity of visual information and visual storytelling.

#### DEPARTMENT MANAGER Department of Defense 04/2013 - 03/2021 (40hrs p/w)

- Provided appraisals and leadership to over 25 employees, fostering a productive and motivated team, while managing onboarding, scheduling, training, and budgeting, ensuring efficient operation and continuous employee development.
- Implemented corporate directives and built strong rapport with clients and sales representatives, ensuring alignment with company goals and customer satisfaction and served as a customer service ambassador, enhancing service quality and addressing client needs effectively.
- Conducted and maintained inventories, ensuring accurate tracking and availability of resources.

#### SPECIAL FORCES OPERATIVE US Army 02/2006 - 09/2012 (40hrs p/w)

- Successfully managed a budget of \$500,000 while managing inventory valued in excess of \$1,000,000, ensuring financial efficiency and effective resource allocation.
- Demonstrated exceptional performance in high-stress environments and direct-action missions, often while organizing and training over 200 soldiers from multiple countries in foreign internal defense, showcasing strong leadership and training capabilities.
- Acted as an emissary, negotiator, and liaison between foreign dignitaries and foreign embassies, fostering international relations, coordinating joint training missions and responsibilities to ensure mission success.
